RECOMMENDED

That, in compliance with Section 71 of the MFMA and in terms of Government Notice 32141 dated 17 April 2009, regarding the "Local Government: Municipal Finance Management Act 2003 Municipal Budget and Reporting Regulations":

- (1) The Accounting Officer submits to the Executive Mayor this statement reflecting the financial status for the month ending 31 March 2012; and
- (2) In order to comply with Section 71(4) of the MFMA, the Accounting Officer ensure that this statement be submitted to National Treasury and the Provincial Treasury, in both a signed document format and in electronic format.

Explanation of legal requirements

Section 71 of the MFMA requires that the monthly report should contain:

- (a) actual revenue, per revenue source;
- (b) actual borrowings;
- (c) actual expenditure, per vote;
- (d) actual capital expenditure, per vote;
- (e) the amount of any allocations received;
- (f) actual expenditure on those allocations, excluding expenditure on-
 - (i) its share of the local government equitable share; and
 - (ii) allocations exempted by the annual Division of Revenue Act from compliance with this paragraph; and
- (g) when necessary, an explanation of-
 - (i) any material variances from the municipality's projected revenue by source, and from the municipality's expenditure projections per vote;

- (ii) any material variances from the service delivery and budget implementation plan;
- (iii) any remedial or corrective steps taken or to be taken to ensure that projected revenue and expenditure remain within the municipality's approved budget.

The statement must also include:

- (a) a projection of the relevant municipality's revenue and expenditure for the rest of the financial year, and any revisions from initial projections; and
- (b) the prescribed information relating to the state of the budget of each municipal entity as provided to the municipality in terms of section 87(10).
- (3) The amounts reflected in the statement must in each case be compared with the corresponding amounts budgeted for in the municipality's approved budget.
- (4) The statement to the provincial treasury must be in the format of a signed document and in electronic format.

Further, in terms of Government Notice 27431 dated 1 April 2005, regarding the "Local Government: Municipal Finance Management Act 2003 Municipal Investment Regulations: the following is applicable:

Reporting requirements:

- 9.(1) The accounting officer of a municipality or municipal entity must within 10 working days after the end of each month, as part of the section 71 report required by the Act, submit to the mayor of the municipality or the board of directors of the municipal entity a report describing in accordance with generally recognised accounting practice the investment portfolio of that municipality or municipal entity as at the end of the month.
- (2) The report referred to in sub regulation (1) must set out at least –
 - (a) the market value of each investment as at the beginning of the reporting period;
 - (b) any changes to the investment portfolio during the reporting period;
 - (c) the market value of each investment as at the end of the reporting period; and
 - (d) fully accrued interest and yield for the reporting period.

[Highlighted requirements are further explained below].

Certain 'prescribed' municipalities are required to provide their financial reports to the National Treasury, in lieu of the Provincial Treasury. This includes the SPM. National Treasury have indicated that they wish to continue to directly monitor municipalities that have a significant impact on the South African economy. For this purpose the required electronic return forms were progressively lodged with the National Treasury by or on 17 April 2012, (ten working day limit).

These return forms are:

- Statement of Financial Performance (OSA)
- Capital expenditure report (CAA)
- Cash Flow Statement (CFA)
- Outstanding Debtors report (AD)
- Outstanding Creditors report (AC)
- Statement of Financial Position (BSAC)
- Repairs and Maintenance (RME)

Also we have not fully resolved the issue with the outstanding invoices of DWA, especially the issue pertaining to the interest raised on the account. There are also payments that were made in prior years of which the allocation from DWA's side needs to be verified. DWA is busy investigating the matter, awaiting feedback from them.

The specific format for the report required to be submitted to the Executive Mayor, as referred to in section 71(1), has now been prescribed in terms of Government Gazette No 32141 of 17 April 2009 but the receipt of electronic submission have not been replaced. Therefore, this report is based upon the content and format of the monthly electronic return forms provided to National Treasury. The information provided to National Treasury is published quarterly; therefore it is prudent that the Executive Mayor's report be prepared on a similar basis to ensure alignment.

Section 71(1)(e) refers to a requirement to report on 'allocations' received. The term 'allocations', refers to government grants received from other spheres of government. These are reported upon in the Statement of Financial Performance.

The definition of a revenue 'vote' has been determined by National Treasury. Annexure A contains this information. However, each municipality may determine the vote format for its expenditure, provided it also supplies Government Financial Statistical (GFS) analysis. The information provided in the monthly financial report to Council is in accordance with the SPM vote structure. However, this report is prepared in accordance with the National Treasury standard, which will assist with benchmarking performance with other municipalities.

The contractual/ cost price of the investment portfolio has been utilized and for the period ending 31 March 2012 the value of total investments was R154,9 m.
