SURETYSHIP

I (hereinafter referred to as "the Surety")
 Of (address)
 bind myself as surety for and on behalf of and co-principal debtor in solidum with
 (Hereinafter referred to as "the Debtor")
 to **Sol Plaatje Municipality** (Hereinafter referred to as "the Creditor")

for the due and punctual performance by the Debtor of all his obligations to the Creditor as at the date of giving of this surety whether presently due, owing and payable or becoming due, owing and payable in the future. This suretyship is given as a continuing covering suretyship.

I agree to surrender the following legal exceptions and any benefits there under, being non numeratae pecuniae, non causa debeti, no value received and revision of account.

I choose as domicilium citandi et executandi for the purpose hereof the address as above-mentioned.

Furthermore, I undersigned in my capacity as duly authorized agent, hereby apply for the supply of services to the above-mentioned partnership/company/close corporation.

I acknowledge in my capacity aforementioned that the services provided to me including the provision of water and electricity may be immediately terminated should I fail to pay my account with the MUNICIPALITY punctually in full on due date. Furthermore I will be liable for any legal costs on the scale applicable between attorney and client should the MUNICIPALITY take legal steps against me for the recovery of an arrear account. I give express permission that should my account be in arrears in excess of 90 days, that my name be listed, without delay of reference to myself, at a recognized credit bureau.
