- ii. an EME or QSE which is at least 51% owned by black people who are youth.
- iii. an EME or QSE which is at least 51% owned by black people who are women.
- iv. an EME or QSE which is at least 51% owned by black people with disabilities.
- v. an EME or QSE which is 51% owned by black people living in rural or underdeveloped areas or townships.

- **Background**

Eigenbau Pty Ltd is a company with a long history of successful projects in the water and wastewater treatment space. As such, Eigenbau competitively tendered for the appointment for various mechanical and electrical works at the Riverton Old Works. Eigenbau were appointed as the sole Main Contractor in the refurbishment of old plant's filters, chlorine and chemical dosing systems at Riverton Water Treatment works. Eigenbau is thus tasked with providing a Contract Nameboard for the Construction site and herewith issue this invitation to tender to suitable registered and experienced service providers for this as a works package to qualifying local entities.

- **Site Location**

Riverton Water Treatment Works is located 30km north of Kimberly along the Vaal River. The construction site is adjacent to the plants main peripheral fencing close to the main entrance gate. The site is controlled/managed/ secured by Sol Plaatje Municipality and therefore any service provider is required to co-operate with them or their selected service providers/contractors etc and abide by any rules of their site. Access is by road.

- **Scope of work**

Eigenbau requires the services of a competent and fully registered Contractor to Manufacture, deliver to sit and install a contract nameboard at the site establishment location in Riverton as per below drawing.

- **The Scope of work entails:**

- a. Manufacturing the Contractor Nameboard as per drawing number C320-Mech-100-003 – Manufacturing Drawing – Rev 0.
- b. Deliver to site and Installation of contract nameboard at a named location, within 800m of the Site.

- **Assumptions**

All cost related to this project should be in-cooperated into the submitted quotation for review. No variation orders will be tolerated.

- **Deliverables**

Below are the required deliverables.

- a. Manufacture Nameboard strictly as per attached manufacturing drawings.
- b. Delivery to site and Installation of the manufactured nameboard.

- **Constraints**

Submission closing date will be on the **21st of October 2024**.

- **Dependencies**

- a. Nonapplicable.

- **Risks and Mitigation**
