Work Package Title	Hire of Telescopic Handler
Date of Work Package	13 August 2025
Project Manager	S Healing
Expected Commencement Delivery Date	24 th August 2025
Expected Duration of Contract	12 – 18 months
Reference	C323-WPK001

Purpose

The purpose of this work package is to secure the services of a service provider for the long term hire of a telescopic handler that meets with specifications noted below.

This work package is only available to enterprises that meet the following criteria for being Local, being a Local Emerging Contractor or being a Local Services Provider or Local Supplier and is a Targeted Enterprise as set out below.

Eigenbau intends placing a single order for the supply of the filter media, with one vendor.

Local

means the Sol Plaatje Municipality (SPM) area.

Local Emerging Contractor

means a legal business entity with its registered office and/or physical address in the Local area.

Local Supplier

means a legal business entity with its registered office and/or physical address in the Local area who has actively conducted business in the Local area for a period of more than 12 months and who supplies materials and plant directly to the end-user.

Local Services Provider

means a legal business entity with its registered office and physical address in the Local area who has actively conducted business in the Local area for a period of more than 12 months and who supplies services directly to the end-user.

Pre-qualification Criteria for Targeted Enterprises

- an EME or QSE which is at least 51% owned by black people.
- an EME or QSE which is at least 51% owned by black people who are youth.
- an EME or QSE which is at least 51% owned by black people who are women.
- an EME or QSE which is at least 51% owned by black people with disabilities.

v. an EME or QSE which is 51% owned by black people living in rural or underdeveloped areas or townships.

Background

Eigenbau Pty Ltd is a company with a long history of successful projects in the water and wastewater treatment space. As such, Eigenbau competitively tendered for the appointment for various mechanical and electrical works at the Riverton Old Works. Eigenbau were appointed as the sole Main Contractor in the refurbishment of Riverton New Plant's filters, and associated structures.

To execute the scope of Works, the contractor has identified that an all terrain telescopic handler will be required full time on the site.

NOTE: *All responding parties are to remain aware that the main contract was secured under competitive bidding and accordingly the responding parties are encouraged to research what is acceptable rates for such work that allows all parties to reasonably benefit from the work. Eigenbau is committed to sharing workload, within the main contract parameters*

Site Location

Riverton Water Treatment Works is located 30km north of Kimberly along the Vaal River.

The construction site is adjacent to the plants main peripheral fencing close to the main entrance gate. The site is controlled/managed/ secured by Sol Plaatje Municipality and therefore any service provider is required to co-operate with them or their selected service providers/contractors etc and abide by any rules of their site. Access is by road.

Scope of Supply

For the long term construction hire of one off telescopic handler with the following specifications and on the following terms:

Specifications:

Maximum lifting capacity: 4 Tons

Maximum reach: 13m

Terrain capacity: Rough

Automatic Load limiting: Required including load test certificate.

Fuel: Diesel.

Wheel articulation: 2 and 4 wheel steering and crab capability.

Any plant supplied must be leak free and reliable with breakdowns exceeding 8hrs per month will lead to cancellation of the hire agreement.

Terms:

Hire duration: minimum 12 months, to maximum 18 months. Offer to be per month and all inclusive except for delivery and collection charges.

Dry/Wet?: Dry, diesel supplied by Eigenbau

Servicing: to be included as part of rate

Operator: Not required, as Eigenbau will provide a trained operator

Insurance: required for plant only.

Delivery/collection by low bed: Required on both rounds

Site Access

The site can be accessed by road.

Offloading can only take place during normal business hours, Monday to Friday.
